TRAVELING EAGLE RULES

Take your "EAGLE" for a ride rules

- 1. The Eagles were place randomly throughout the State
2. The Chapter gets to keep the Eagle until another Chapter brings two people to visit.
3. The Chapter that brings the most visitors (at least two) gets to take one Eagle home.
4. If the Chapter has more than one, they can only lose one Eagle in an evening.
5. Each time a Chapter gets an Eagle, they sign the Chapter's name and date on the attached pedigree.
6. Dual members only count in one of the Chapters they belong to.

Don't let your Eagle fly too low, he might get bugs in his eyes. Remember, they have a big wing span. And they like road kill for treats.

## So, Now What's Going On With the Monthly Newsletter?

As you will recall, last month's issue of the Newsletter provided information regarding the "future" of the Monthly Newsletter. It seems the Newsletter has been very successful, but VERY costly.

The Grand Chapter Trustees, the Grand Treasurer and Secretary, the Grand Line Officers, and the Finance, Ways, and Means Committee discussed the available options, and presented these to the membership during the Grand Chapter Session. The membership voted to continue the Monthly Newsletter with a fee for paper copies; receiving the Newsletter by email will not have a cost attached. Additionally, Chapters or associated organizations can place "ads" regarding their upcoming events in the Newsletter, based on the amount of space the ad takes up.

This issue of the Newsletter is **the last FREE** issue. If you want to continue to receive the Monthly Newsletter via paper copy, you will need to fill out the subscription form on the back page and send it - with your \$15 payment - to the Grand Secretary OES of WI at 36275 Sunset Dr, Dousman, WI 53118. To be sure you receive the July issue, please send your subscription and payment before June 15<sup>th</sup>. If you have been receiving a paper copy of the Newsletter and would like to receive it via email, please email your address and request to [secretary.wioes@gmail.com](mailto:secretary.wioes@gmail.com). You may also "Opt Out" of receiving the Newsletter by notifying the Grand Secretary.

## *A Heart Healthy You*

One of the number one food items for heart health is vegetables! Here are some of the best that you can make into a yummy stir fry. Asparagus - natural source of folate, broccoli which lowers cholesterol, cauliflower, bok choy, tomato, bell peppers, carrots, mushrooms, onions. For flavor add Ms. Dash, Pepper, garlic, any spice you like - basil, rosemary, oregano, etc. Oven roast, grill, steam, or sauté using low sodium broth or canola, olive, safflower, soybean or sunflower oil (or non-stick spray).

Toss in some walnuts, almonds or pecans which are heart healthy! Add chia seeds and/or flaxseeds a source of omega 3 acids to lower LDL and total cholesterol. They also reduce blood pressure and fatty plaques.

Add any fresh berries to compliment your meal. They are full of antioxidants, fiber, folate, iron, calcium and vitamins A and C. Drink coffee which the Farmington Heart Study links to reduced heart disease and green tea which reduces blood pressure. Finish off with dark chocolate (in moderation) which protects against stiffness of arteries, plaque buildup and stickiness of white blood cells.

Marv and Elaine Engelke, Heart Fund Co-Chairmen
